PROJECTS

Career Assurance

📅 12/2024 - 12/2024 📍 Palghar

This project is designed to assist students in selecting the most suitable academic stream—Science, Commerce, or Arts—based on their 10th-grade marks. The system evaluates subject-wise performance and applies specific criteria to recommend a stream that aligns with the student's academic strengths. By providing personalized guidance, the application aims to support informed decision-making and help students pursue the right educational path for their future goals.
